PROFILE

Hello, I'm Abubakar siddiq As an aspiring Information Science and Engineering student, I possess a strong foundation in HTML, CSS, and JavaScript. Eager to apply my technical acumen and problem-solving skills in a dynamic environment. Committed to continuous learning and adapting to emerging technologies. Passionate about creating efficient and user-friendly web solutions. Seeking opportunities to contribute to innovative projects, grow my skill set, and make a meaningful impact in the field of information science and technology.

PROFESSIONAL EXPERIENCE

Emertxe information technologies, Embedded system Intern
August 2023 – October 2023
As an intern at Emertxe Information Technologies, I actively contributed to the field of embedded systems, acquiring essential skills in fundamental programming, particularly in C language, and microcontroller architectures. Throughout the internship, I engaged in hands-on projects, developing a solid understanding of the intricacies of embedded systems design and implementation.

EDUCATION

BE Information Science and Engineering,
The Oxford College of Engineering
2020 – 2024 | Bangalore, India

12th Class, Al ameen Pre University College
2018 – 2020 | Bangalore, India
